Notes:

1. Remedial measures: Although not constituting a violation of the Road Trucking Vehicle Act of Japan, the remedial measures system requires manufacturers to notify Japan's Ministry of Land, Infrastructure, Transport and Tourism of any issues that are deemed to require attention in terms of either safety or pollution prevention. Vehicle repairs must be completed free of charge.
2. Service campaigns: Pursuant to an official notice issued by the Ministry of Land, Infrastructure, Transport and Tourism of Japan, vehicle manufacturers are obligated to inform product users of any quality issues that do not fall within the scope of recalls and remedial measures. In the event that such notifications are made, manufacturers are further obligated to inform the Ministry of relevant details.
