## Social Responsibility Initiatives

### Basic Stance

Hino Motors is committed to maintaining good relationships with stakeholders so that it can continue providing products and services around the world.

Described below are a number of local CSR activities taken to fulfill the CSR Charter found in the HINO Credo.

- We strive to provide products that are safe and environmentally friendly, pursuing a responsible balance with the environment in all of our corporate activities.
- We strive to contribute to local communities in all the regions where we do business.
- We are devoted to good corporate citizenship, complying with laws and regulations and maintaining high ethical standards.

Hino Motors continued to pursue social responsibility at production sites and sales sites throughout the world. The focus was on contributing to local communities, supporting local cultures, and supporting next-generation human resource development. Based on the characteristics of each region, the Company will continue to take the initiative to ensure harmonious relations with local communities.

#### Contributing to local communities

As a good corporate citizen, Hino Motors is moving forward with endeavors such as helping to develop local communities and improving the environment.

#### Supporting local cultures

Hino Motors values the culture rooted in each local community and participates in and supports local cultural events.

#### Supporting next-generation human resource development

Hino Motors provides local educational assistance to help develop the children and youth who will be the leaders of the future.
